

ITBS/Iowa Assessments

3rd Grade Practice Questions

Reading:

One day, Brianna and Tony were walking home from school. They stopped at their favorite candy store to purchase some gum. Brianna has her own money because she babysits, and she likes to share with Tony. Since school is out for the summer, Brianna can babysit even more and have more cash to buy things.

"I'm delighted to see you both today," said Mr. Finn. "How is your mother feeling?"

"Much better, thanks" said Brianna. "She still can't cook for us, and we have to help out more around the house right now."

Brianna chose the pink gum ball and Tony chose the green one. Brianna paid Mr. Finn.

"Come back soon," said Mr. Finn, "and congratulations on your new baby brother."

"Thanks," said Brianna and Tony together, as they walked out of the store towards home, popping their gum.
